

SOFT PVC FINE LINE

Car refinishing and repairing

Fine line soft PVC tape

Soft PVC fine line tape is used when painting long straight lines and sweeping curves where a sharp paint line is desired. Suitable even as a layout tape for multi-color and custom painted graphics.

| BACKING | ADHESIVE | COLOUR | TOTAL THICKNESS | ADHESION | TENSILE STRENGTH | ELONGATION TO BREAK | TEMPERATURE RESISTANCE |
|----------|----------------|--------|-----------------|-----------|------------------|---------------------|------------------------|
| Soft PVC | Natural rubber | Yellow | 0.150 mm | 6 N/25 mm | 70 N/25 mm | 150 % | 60°C |

SOFT PVC FLOOR MARKING

Decoration and building

Floor marking soft PVC tape

Single sided tape ideal for floor marking. Excellent flexibility, anti-abrasion, anti-corrosion, resistant properties to acids, alkalis and oils.

| BACKING | ADHESIVE | COLOUR | TOTAL THICKNESS | ADHESION | TENSILE STRENGTH | ELONGATION TO BREAK | TEMPERATURE RESISTANCE |
