

参数信息 Parameter information

| | | | |
|---|---|------------------------------------|--|
| 品牌 <small>Brand</small> | HEYA 禾原科技 | 名称 <small>Name</small> | 控制变压器 <small>Control transformer</small> |
| 型号 <small>Model</small> | BK | 额定容量 <small>Rated capacity</small> | 300VA |
| 绝缘电阻 <small>Insulation resistance</small> | $\geq 20M\Omega$ | 效率 <small>Efficiency</small> | $\geq 95\%$ |
| 输入电压 <small>Input Voltage</small> | 380V | 输出电压 <small>Output voltage</small> | 24/220V |
| 产品特点 <small>Product features</small> | 体积小、接线安全可靠、防护等级高、性能良好，且能够在额定负载中长期有效的工作。 <small>Small size, safe and reliable wiring, high protection grade, good performance, and can work effectively in rated load for a long time</small> | | |

尺寸信息 Dimension Information

Unit
单位：MM

Note: a,b is the installation size of the product (hole spacing)
*注：a、b为产品安装尺寸（孔距）
