

# LED RECHARGEABLE LIGHT

The latest in rechargeable fitting innovation, Waco introduces its portable, compact Energy Efficient LED lights.

## Rechargeable Lantern

The LED lights are easy to use and can be carried around or mounted on a wall. They can be used both indoors and outdoors and are ideal for camping, workmanship or for unexpected power outages.

## Rechargeable Torch

This versatile rechargeable LED torch comes with a stand, handle and hanging loop for multiple locations.

## NEW longer lasting LED range
