

Overvoltage
protection

Output

TECHNICAL SPECIFICATIONS

- Input: AC 220V ~ 0.024A 50 - 60Hz
- AC output: AC 2.4V ~ 14.5V
- DC output: DC 2.5V ~ 20V
- Rated load: AC 1.5V - 12V
- DC output load: DC 12V 500mA
- Rated capacity: 6W
- Weight: 270g (approx.)

FEATURES

- With 6 different adapter plugs
- Easy to adjust the voltage as per required
- Compatible with CCTV, routers, smartphones, LED light and different households electronics
