

Waste Garbage Disposal Disposer Air Switch Button and Air Hose & Self Lock

**Model: DS-118**

**Specifications:**

Switch Button Material: Plastic  
Button Color: ABS Plating  
Air Hose color: Clear  
Rated Voltage: 250V  
Rated Current: 16A  
Quantity: 1 set (as the picture show)  
Switch Button size: 32mm(D) x 65mm(H)  
Air Hose length: 980mm/38"

This kit is replaced with your old Garbage Disposal with air switch, if your old one doesn't have the air switch (just have the power switch), this kit will not fit for.
