

## Important attribute

### Industry attribute

Machine type Welding manipulator

### Other attributes

Status: New

Applicable industries: Repair shop, production workshop, household, retail

Showroom location : None

Video factory inspection: available

Mechanical test reports: available

Origin: Guangdong, China

Weight (KG) : 5.2

Brand YIHUA

Voltage: 110V/220V/230V/240V optional

Current: 6A

Rated capacity air flow :120L/min

Rated load duration: 50-100%

Size: 32\*27\*19.8cm

Purpose: repair mobile and componets

package 1 outer carton quantity: 6pcs/ctn

package 1 outer carton size: 57\*35\*63cn

package 1 outer carton goods act G.W.: 26.31KG/CTN

Weight shipping weight :5.2kg/pcs

After Warranty Service Video technical support, Online support

Local Service Location None

After-sales Service Provided Online support

Certification CE ISO

Packing and shipping information
